

## Year 1, Term 3

Target: Know one more / one less than number to 5

*By the end of this half term, children should know and be able to recall the following facts instantly:*

### Key vocabulary

more than, less than, one more, one less, add / plus, subtract / take away

### Key questions

What is one more than 3?  
What is one less than 3?

### Examples

One less		One more
<input type="text"/>	5	<input type="text"/>
<input type="text"/>	2	<input type="text"/>
<input type="text"/>	7	<input type="text"/>

### Top Tips

Could you try to practise these facts practically. e.g. with food – when we take one away, how many do we have left now? If we add one more pasta piece in, how many do we have now?
